Glynis,

We had the pleasure of working with Glynis Canto on both selling and buying of a home. This is often one of the biggest financial decisions that can be made and understanding the market nuances is important in establishing the right pricing and the time it takes to sell in completing a transaction. Glynis came well prepared, was able to validate her perspective through current market information and was very effective in the ability to work with a few difficult situations that arose throughout the process. She is a consummate professional and was a pleasure to work with in ensuring our listing going to close within an expedient time frame. I would highly recommend Glynis to anyone seeking to sell or buy.
